Isio has developed a seminar full of ideas to help your employees manage their money better and make it go further. Covering topics such as better budgeting, energy efficiency, debt management and smarter shopping, there’s a top tip for everyone regardless of circumstance. Our aim is to increase your employees’ understanding and confidence so they feel more able to manage their personal situation.

Importantly we will tailor the seminar to reflect your benefits package so your employees understand the support and benefits you provide, and to reflect the profile of your employee base.

After the seminar, we’ll provide a useful factsheet summarising the different topics discussed which signposts employees to further sources of information.
